KEY BENEFITS

Dedicated Room Control

Keeps the iPad mounted, visible, powered, and ready for scheduling or control workflows.

Clean Installation

Low-profile enclosures help reduce loose devices, visible clutter, and improvised mounting.

Colour Options

Coordinate the enclosure finish with room design, furniture, and other Kubby hardware.

Flexible Mounting

Choose wall, mullion, or tabletop formats to match the room layout and installation surface.

Built for Shared Spaces

Designed for meeting rooms, reception areas, huddle rooms, and other shared workspaces.
